"A Den of Thieves"

TRUTH AND JUSTICE IS AT HAND

"And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and Overthrew the tables of the Moneychangers"

The Second Temple in Jerusalem

"Moneychangers" Interesting - The Only Time Jesus Showed any kind of Aggression or Physical Display of Anger in his Entire Ministry. Has The Lord Withdrew His Disdain for Cheating People out of their Money Through Trickery? - NO!

The Federal Reserve Sanctuarium

Today, we are Witnessing a Moneychanging Crime of Monumental Proportions. Every day our Labor and Life Energy is being Stolen from us by a System that was Designed to Transfer the Wealth of All Working People to a Small Elite Class of Money Overlords, whose Only Desire is Power and Control, with Nothing to Offer But Misery and Bondage

The Tally System

The First

Encrypted Ledger

1100-1694

Interest-Free Tokenized Assets

It's Hard to Believe in our Technological age, but there Once was a Time in England that for 600 Years (Before the Banks) Money was Counted on Tally Sticks. Perfectly Forgery Proof Sticks of Wood that were Split Lengthwise for Two Parties to Keep Track of Financial Transactions: Mostly Taxes - Lost to History - Can the Tally Stick Era Return?

Honest Money Re-INVENTED

Yes, We Now Have the Technology to Create a System that Can Function as a Debt and Interest-Free Money Ledger, Forever Freeing Humanity from the Fractional Reserve Banking Scheme Dreamed up in Medieval Times. To Create an Asset-Backed Currency where The People Can Once Again Become the Owners of Their Life, Liberty and Property - A Structure of Currency that Eliminates Theft and Corruption by The Oligarchy

THE NEW MONEY  REVOLUTION

The Bank of England

Bank Note • Debt "Security" 1704

Founding

Debt as Money

In England in 1694, A Grand Experiment Was Originated - What if Money was Converted from Something of Value, to a Future Obligation, A Promise to Pay, Blessed by The Government? The World would Never be the Same

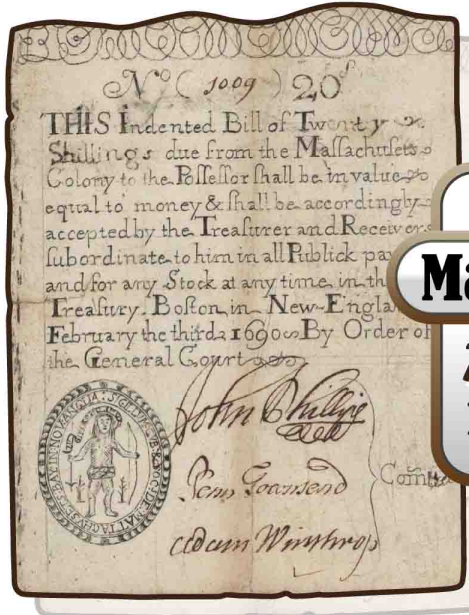

War Makes Debt

Empires Cost Money, Discipline Needs to be Maintained Among the Subjects. From the Years 1694 to 1763, England Piled up Massive Debt Fighting Many Conflicts. Just From 1756 to 1763 they Doubled Their Debt from £75 Million to £150 Million

The Experiment Worked! Today, with Very Few Exceptions, The World Operates on a Promise to Pay System - Money Issued as Debt Created from Nothing - The Banks Have Even Gotten the World to Believe that this Unpayable Debt and Unfunded Compounding Interest is a "Security"

Massachusetts

First Colonial Paper Money

The Currency Act of 1764

A British Law that Banned the issuing of **Paper Money** in the American Colonies and Required the Withdrawal of **Existing Paper Money**. The Act Demanded the Payment of Taxes owed to the Crown in hard Currency (**Gold and Silver**). The Effect was Devastating to the Colonies, causing a Shortage of Currency, greatly affecting Trade and Commerce

Pre-WAR Currency 1770

• Benjamin Franklin • 1793

"The colonies would gladly have borne the little tax on tea and other matters had it not been that England took way from the colonies their money, which created unemployment and dissatisfaction. The inability of the colonists to get power to issue their own money permanently out of the hands of George III and the **international bankers** was the Prime reason for the *Revolutionary War*"

1781 The Bank of North America

BRITISH-FRACTIONAL RESERVE BANKING

As we know, in 1694 the **Bank of England** was founded with their diabolical **Private Fractional Reserve Money Creation Scheme**. The enormous potential for Fraud and Plunder was too much to resist for American War Profiteers. In 1781 a group of Financiers led by Robert Morris and endorsed by Alexander Hamilton was able to convince the Continental Congress to Establish the **Bank of North America**. Trust in **Paper Money** was a hard sell in War-Time, so the Value of this Newly Printed Money Continually dropped, and the **Bank's Charter** was not Renewed in 1785.

FRAUD AND COLLUSION FROM INCEPTION

As Superintendent of Finance of the United States, Robert Morris held tremendous influence in the Continental Congress. With Power comes Corruption, and Morris exercised this Skill to Great Advantage. He was unable to raise the \$400,000 Bank Chartered funds with private investors, so he commandeered \$250,000 of Silver lent to America from France. He then used this money to loan to his associates to buy the remaining shares in the **Bank** • A Brilliant Early Example of **Fractional Reserve Banking Fraud** •

1816 President Thomas Jefferson

• Thomas Jefferson •

“And I sincerely believe with you, that **Banking establishments are more Dangerous than Standing Armies;** & that the principle of spending money to be paid by posterity, under the name of funding, is but swindling futurity on a large scale”

“**Bank-paper must be suppressed,** and the circulating medium must be restored to the nation to whom it belongs”

1791 The First Bank of the United States 1811

The **First US National Bank** was chartered with **\$10 Million Dollars**, with **80% Private** and **20% Government Shares**. **One Quarter to be paid in Gold and Silver** the rest in **Government Bonds**. The **US Government** didn't have the cash so they actually **Borrowed** their share from the **Bank** itself - In the **20 Years** of the **Bank**, the **Dollar** Lost **28%** of its Value

THE MONEY SUPPLY

JEFFERSON/MADISON OPPOSITION

Both Jefferson and Madison opposed the **US Bank** on **Constitutional** grounds. They also fought hard to stop the Bank from creating a **Paper Money** Monopoly that would **Squeeze out Gold and Silver**. They Ultimately lost the Money Battle to Hamilton

1832 President Andrew Jackson

• Andrew Jackson •

"You are a den of vipers and thieves and I intend to rout you out, and by the eternal God, I will rout you out. If Congress has the right to issue paper money, it was given them to be used by themselves, and not to be delegated to **individuals or corporations.**"

The SECOND BANK of the United States

1834 Nicholas Biddle - The President of the **Second Bank** - "Nothing but widespread suffering will produce any effect on Congress... Our only safety is in pursuing a steady course of **Firm Restriction** - and I have no doubt that such a course will ultimately lead to restoration of the currency and the re-charter of the bank"

HERO AND PATRIOT • "I KILLED THE BANK"

"I was born for the storm, and a calm does not suit me" In 1828, Andrew Jackson was well prepared for a fight with the **Fake-Money "Private" Fractional Reserve Bankers**, having defeated the British at the Battle of New Orleans with a **20 to 1 Kill Ratio**. He instinctively knew that **Borrowing Non-Government Private Bank issued Money** was a Grave Danger for the Country. In 1832, Jackson Vetoed the Rechartering of the Bank, and Removed Federal Funds to the many State Banks. On January 1st, 1835 President Jackson was the first and only President to pay off the **National Debt**. The First Battle with the **Debt-Money Banks** was Won, but the War would Continue

1837 - The Free Banking Era - 1863

3.5x MONEY GROWTH

FRACTIONAL RESERVE • BANKING CHAOS

Try to imagine what it was like living in America in the Mid 1800s. Every money transaction had become a negotiation. Merchants trying to figure out how much each **Bank Note** was really worth, and customers lost in uncertainty and despair. The California **Gold Rush** had brought an immense amount of **Gold** that fueled a massive increase in **Banks** across the country. The Shady Craft of **Fractional Reserve Banking** was getting a Master Class Lesson on how to Scam and Cheat the People

THE MONEY SUPPLY

THE GREAT SETUP SCAM

The lack of Clarity regarding Money and Banking in the Constitution gave the **Moneychangers** the perfect Testing Ground for their Public/Private **Debt-Money Scam** system that would come to be known as the **Federal Reserve Bank** in 1913

THE NEW MONEY  **REVOLUTION**

Failed Fiat Currencies

History is Littered with **Empires** that Have Collapsed for Many Reasons, but one of the Surest Ways to Destroy a Society is to **DEBAUCH ITS CURRENCY**. The **Federal Reserve Dollar** has Lost **97%** of its Value Since its Introduction in 1913. The **New USA Dividend Dollar** is a **Revolution** in Wealth Preservation

The Silver Swindle

ROMAN ERA

U.S.D.C. ERA

- **Silver** has been the Central Medium of Exchange for CENTURIES
- **The Big Banks** Know that they Must Suppress the Price to Maintain the **Illusion** of Value for their **Fake Fiat Debt Money System** to Continue

THE NEW MONEY REVOLUTION

Greenbacks

1862-1865 • THE UNION

To Fund the Union Cause in the Civil War, European Banks wanted to charge 24% to 36% Interest. Instead, Lincoln Printed Debt and Interest-Free Greenback Paper Currency to Continue the War. \$450 Million Greenbacks were Printed (About 8% of GDP)

THE PANIC OF 1873

Several Factors Converged in the Fall of 1873 to Create a Panic and a Depression that lasted for years. The Two Main Monetary Causes were the Planned Calling in of Greenbacks and the Demonetization of Silver, Which Contributed to a Stock Market Crisis

The Greenback Party Emerged Out of the Financial Chaos of 1873 with a Simple Idea - That the Government Should Issue (Unbacked) Debt and Interest-Free Money to Stifle the Influence of the Big Banks. While having Half the Equation for Honest Money in-hand their approach still led to the Disaster of The Federal Reserve Act of 1913, which gave us 100 Years of Servitude

1864 President Abraham Lincoln

• Abraham Lincoln •

“The Government should create, issue, and circulate all the currency and credits needed to satisfy the spending power of the Government and the buying power of consumers. By the adoption of these principles, the taxpayers will be saved immense sums of interest. **Money will cease to be master and become the servant of humanity**”

THE CONTRACTION ACT OF 1866

Lacking a basic understanding of what **Money and Banking** was, Congress passed the Contraction Act in 1866. The goal was to control inflation and place the nation on a **Gold Standard**. The effect was to reduce the **Money Supply** by 15% in the next 10 years, the Exact Opposite of what happened the previous 30 years when the **Money Supply** expanded by 350%

THE MONEY SUPPLY

POST-CIVIL WAR RECONSTRUCTION

Just as the Country was Recovering from the War and **Money Supply** needed to expand by at least 5% a year, it was falling because of the removal of Lincoln's Union Saving **Greenbacks**. Hard lessons were being learned on the road to Honest Money

The Crime of 1873

DOLLAR to SILVER Ratio

An Ounce of Silver for a Day's Labor

During a hundred year period, from 1773 to 1873, a Single Ounce of Silver Paid For the Average Laborer's Daily Wage. Today, it would take nearly **10 Ounces of Silver** for a day's wage

The War on the Price Silver has lasted 150 years. If only **2% of the World's Population Bought 1 Ounce of Silver**, the True Price of Silver would be Revealed, Which is Between **10%-20% of the Price of Gold**

1900 • 16 to 1 SILVER to GOLD RATION

Silver has always been The Bankers Favorite Tool for Stealing Wealth from the Masses. In the Election of 1900 W.J.B. was trying to end the War on Silver by Pegging it as Legal Tender at a 16 to 1 Ratio to **Gold. The **Gold Standard** and “Sound Money” Won, and for the next 125 years the Silver Price and True Value has been Suppressed ... **Until Now!****

THE FED BANKING CARTEL Conspirators

The Origin of the Federal Reserve Bank

Frank Vanderlip - "I was as secretive - indeed, as furtive - as any **Conspirator**. Discovery, we knew, simply must not happen, or else all our time and effort would be wasted. If it were to be exposed that our particular group had got together and written a **Banking Bill**, that bill would have no chance whatever of passage by Congress."

CONGRESSMAN

LOUIS T. McFADDEN

The Patriot Opposition

"(Most) people think the **Federal Reserve Banks** are US government institutions. They are not... they are **Private Credit Monopolies** which prey upon the people of the US for the benefit of themselves and their Foreign and Domestic Swindlers, and rich and predatory **Money Lenders**. The sack of the United States by **The Fed** is the greatest crime in history"
"It has done this through the corrupt practices of the Moneyed Vultures who control it"

1913 The Federal Reserve Act

CONGRESSMAN

CHARLES A. LINDBERGH SR. 1913

"The Federal Reserve Act establishes the most **Gigantic Trust on Earth**. When the President signs the Bill, the Invisible Government of the **Monetary Power** will be legalized... **The Worst Legislative Crime of the Ages** is perpetrated by this **Banking and Currency Bill**."

GRAND THEFT *on a* MONUMENTAL SCALE

Congressman Lindbergh was Absolutely Right!, and now we have the Evidence to Prove it. Money Growth was 11 Times Faster than Wage Growth in the last 113 Years. A **Money Laundering Scheme** that Defies Belief, but Sadly is True. The Great News is that we now have The Knowledge and Will to Stop it. 1933 • A YEAR THAT WILL LIVE IN INFAMY

As if the **Stock Market Crash** and **25% Unemployment** wasn't Bad Enough, the **Great Gold Confiscation** put America on a Path of Financial Domination in the Bankers Grand Plan to Reshape America into a **Controllable Peasant Class**. Under the Cover of Crisis, The Government Stole the Last Remaining Token of Wealth from The American People, then Deviously Repriced Gold, Devaluing the remaining **Federal Reserve Paper Currency** by 40%

A HEIST OF EPIC PROPORTIONS

Do Something - That was the Mood in America in 1933 when the New Administration took over. Fresh off their Victory 20 Years Earlier with the **Federal Reserve Act**, the Banks Convinced a **Stifled Nation** to give up their **Gold** in an Attempt to Combat Deflation by Increasing the **Fiat Paper Money Supply**. THEFT • HEIST • ROBBERY • LARCENY

From its Inception in 1910 on Jekyll Island, The Federal Reserve along with Fractional Reserve Banking was designed to Extract Wealth from the Working Class to the Unproductive Banking Class. It was a Carefully Crafted Scheme to Skim 20% of all Commerce and Wealth Creation into the hands of an Elite Few - They Knew, That if Successful, America would be Trapped in a Debt Spiral Impossible to Escape from

The GREAT FIAT Setup

The Plan of the **Banks** for the last 150 Years was to Remove the Idea of Money as Representing Assets. To make Money Strictly a Tool of Wealth Transfer from the Productive to the Controllers. The Bretton Woods Agreement set up an Impossible to Reconcile Dichotomy between a **Fixed Price of Gold** and the Unlimited **Printing of "Money"**. They knew the System would Eventually Break, and They would be Free to Create Their **Fiat Debt Money Scam Paradise**

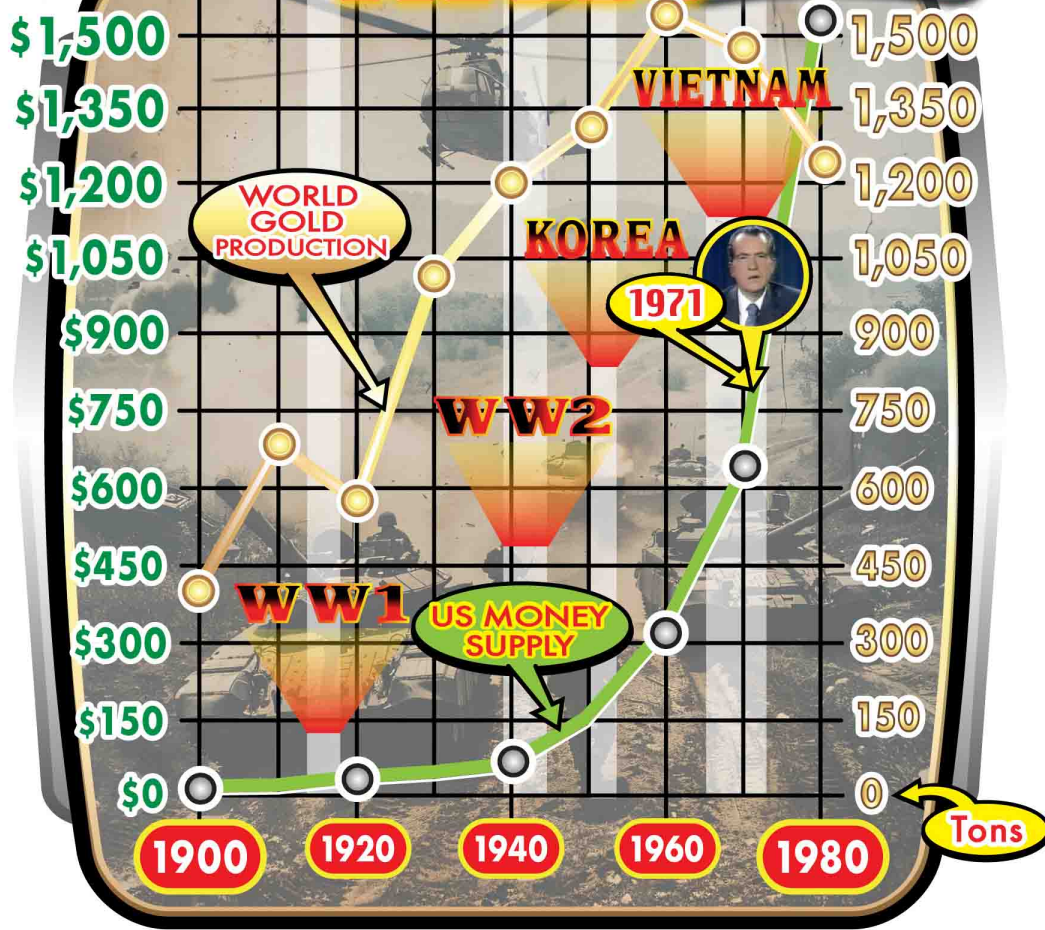

FIAT: An Authoritative or Arbitrary Order

Fiat money is a "government-issued" currency that is not backed by a physical commodity such as gold or silver. Instead, its value is derived from the public's trust and confidence in the "government" issuing it.

The Gold Window

THE FED WAR GOLD

THE GREAT FIAT UNCOUPLING

On August 15th, 1971 President Nixon Quietly Defaulted on America's Commitment to Exchange Gold for US Dollars to Foreign Countries under the Bretton Woods Agreement. Amazingly, for 47 years the Price of Gold was Pegged to the US Dollar at \$35 an Ounce. The World Had Called America's Bluff, and the Era of Unlimited FIAT Money Began

THE BANKERS BIGGEST TOOL

How do you trap The People and Governments in a Debt and Interest Death Spiral? You Play the Banks Favorite Game - War of the Worlds - From 1900 until 1980 World Gold Production Grew by only 4x, while the US Money Supply increased by over 200x. After 1971 the Banks were Finally Free to Enable their Master Plan of World Dominion
